Using Noodletools to Cite

Ms. Burk, Media Specialist
Wootton High School
Objectives

We will:

- Explore features and tools of noodletools
- Create a notecard for Inquiry process
Overview

NoodleTools empowers you to...

- Create, Share and Collaborate on Projects
- Embed links to websites (ease of access to research content)
- Use Note Taking Tools and:
  - paraphrase quoted information
  - organizes work for the writing process
  - connect to Google Apps Accounts
- Annotation Bookmarklet
  - highlight and annotate websites
  - Archiving your findings
Let’s get started!

Type in “Noodletools” in the url bar.

Your screen should look like this!
Log in with your GAFE account

GAFE is your Google Account
Student Id# @mcpsmd.net
Create a New Account

Click create a new account. I am a student.
Edit Your Profile - Skip this step!

Edit Profile

You may update your personal profile here.

Personal ID: margaret.m.gaudino@mcpsmd.net

Your Name: Mrs. Gaudino

School / Location: MCPS Central Office

Companion Key: t7xdym

Display extra help bubbles (for new users)
Display "Show Me" help screens (when available)

Click here if you would like to connect your Google Apps login to a different NoodleTools account.
